Types of Relationships and Services. <i>Our accounts and services.</i>
<ul style="list-style-type: none">● If you open an advisory account, you will pay an on-going asset-based fee for our services. We will offer you advice on a regular basis. We will discuss your investment goals design with you a strategy to achieve your investment goals, and regularly monitor your account.● You can choose an account that allows us to buy and sell investments in your account without asking you in advance (a “discretionary account”) or we may give you advice and you decide what investments to buy and sell (a “non-discretionary account”).● Our investment advice will cover a limited selection of investments. Other firms could provide advice on a wider range of choices, some of which might have lower costs.● We offer fee-only discretionary and non-discretionary investment management services. Trent also provides corporate clients with Qualified Retirement Plan design, financial and compliance consulting as well as selection of mutual fund assets. Trent also currently provides investment management services to a pooled investment vehicle (the “Fund” or “3D Tech Plus, LLC”) and may provide investment management services to other pooled investment vehicles in the future.
Our Obligations to You. <i>We must abide by certain laws and regulations in our interactions with you.</i>
<ul style="list-style-type: none">● We are held to a fiduciary standard that covers our entire investment advisory relationship with you. For example, we are required to monitor your portfolio, investment strategy and investments on an ongoing basis.● Our interests can conflict with your interests. We must eliminate these conflicts or tell you about them in a way you can understand, so that you can decide whether or not to agree to them.
Fees and Costs. <i>Fees and costs affect the value of your account over time. Please ask your financial professional to give you personalized information on the fees and costs that you will pay.</i>
<ul style="list-style-type: none">● <i>Asset-based fees.</i> With respect to direct clients, we retain the discretion to negotiate fees on a client-by-client basis. The specific annual fee schedule is identified in the contract between us and you. Our fees vary and are negotiable. The amount you pay will depend, for example, on the services you receive and the amount of assets in your account.● Trent receives compensation as described above according to the fee schedule and for 3D Tech Plus, LLC Trent’s Fund clients are typically charged two types of fees. These fees are a quarterly management fee and an annual performance fee. The quarterly management fee is a specified percentage of the net asset value of the Fund, payable based on the market value of the account at the end of the prior quarter (i.e., in arrears).● The performance fee, if any, is a specified percentage based upon the increase in the market value of the account at the end of the calendar year compared to the highest ending account balance at the end of previous calendar years. Each year's performance fee, if any, is paid by the Fund based upon the performance results as of December 31 of each year. For our advisory clients that are not pooled investment vehicle, the final fee schedule is attached to your Investment Advisory Agreement (the “Agreement”).● Fees are negotiable and are not based on a share of capital gains upon or capital appreciation of the funds or any portion of the funds. The management fee is a percentage of the market value of the assets in the account. The account management fee will be payable quarterly in advance and will be calculated as a percentage of the market value of all assets in the account on the last business day of each calendar quarter.
